

Ceph - Bug #18424

"unchangeable" designation in md_config_t::_apply_changes output is misleading

01/05/2017 02:07 AM - Brad Hubbard

Status:	Resolved	Start date:	01/05/2017
Priority:	Normal	Due date:

Backport:		ceph-qa-suite:	
Regression:	No	Release:	
Severity:	3 - minor	Needs Doc:	No
Description			
<pre>\$ ceph daemon osd.0 config set osd_recovery_max_active 5 { "success": "osd_recovery_max_active = '5' (unchangeable) "</pre>			
<p>The above is misleading. Although <code>osd_recovery_max_active</code> has no observers changing it at runtime does still take affect despite the "unchangeable" designation.</p>
