

rgw - Bug #2841

rgw: fix usage trim

07/25/2012 05:16 PM - Yehuda Sadeh

Status:	Resolved	Start date:	07/25/2012
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Ceph - v0.51	Spent time:	0.00 hour
Source:	Development	Reviewed:	
Tags:		Affected Versions:	
Backport:	argonaut	ceph-qa-suite:	
Regression:	No	Pull request ID:	
Severity:	3 - minor		
Description			
looking at the code, it seems that we don't encode the user in usage-trim (and also encode the wrong structure).			

Associated revisions

Revision 6bc1067f - 08/08/2012 11:09 PM - Yehuda Sadeh

rgw: fix usage trim call encoding

Fixes: #2841.

Usage trim operation was encoding the wrong op structure (usage read). Since the structures somewhat overlapped it somewhat worked, but user info wasn't encoded.

Backport: argonaut
