Description You can set a pool quota with ceph osd pool set-quota and specify max-objects or max-bytes. You cannot, however, get the quota with a corresponding ceph osd pool get-quota method. Additionally, it cannot be retrieved with ceph osd pool get.			
Related issues: Duplicated by Ceph - Feature #4611: cephtool: set-quota, no get-quota Duplicate 04/01/2013
