

CephFS - Bug #24308

mon: mds health metrics sent to cluster log independently

05/25/2018 04:42 PM - Sage Weil

Status: Resolved	% Done: 0%
Priority: Normal

Affected Versions:	
Description	
We generate a health warning, which has its own logging infrastructure. But MDSMonitor is also sending them to wrn or err, generating another redundant log entry that has to be whitelisted.
