

mgr - Cleanup #36565

mgr/dashboard: Extract documentation link to a component

10/23/2018 10:18 AM - Tiago Melo

Status: Resolved	% Done: 0%
Priority: Normal	
Assignee: Tiago Melo	
Category: dashboard/general	
Target version: v16.0.0	
Tags:	Affected Versions:
Backport: octopus	Pull request ID: 36396
Reviewed:	
Description ATM we have 3 places where we are creating a documentation link and I think this will grow in the future. In all those components we are currently duplicating the same code. I think we should extract that code into a component, then we could just use that anywhere we needed.
