Description

If you have set *DEV* in **unit-test-configuration.ts** to **true**, in order to run all unit tests much faster, the unit test suite of rbd mirroring service fails.

The reason is, that it's expecting a call, that is triggered inside the constructor, which is only done once in for the copy used in the fast testing mode (if it would be done on within **ngOnInit** this wouldn't be a problem).

History

#1 - 01/09/2019 12:48 PM - Stephan Müller

- Subject changed from mgr/dashboard: RbdMirroringService unit test suite fails in dev mode unit test configuration to mgr/dashboard: RbdMirroringService test suite fails in dev mode

#2 - 01/09/2019 12:57 PM - Stephan Müller

- Status changed from New to Fix Under Review

- Pull request ID set to 25865

#3 - 02/04/2019 11:24 AM - Stephan Müller

- Status changed from Fix Under Review to Resolved

#4 - 04/22/2021 11:18 AM - Ernesto Puerta

- Tracker changed from Fix to Bug

- Project changed from mgr to Dashboard

- Category changed from 151 to Testing & QA

- Regression set to No

- Severity set to 3 - minor
