

mgr - Bug #39642

JSON-formatting the mgrmap is huge

05/09/2019 08:23 AM - Sebastian Wagner

Status:	New	Start date:	05/09/2019
Priority:	Normal	Due date:	
Assignee:		% Done:	0%

Backport:		Pull request ID:	
Regression:	No	Crash signature:	
Severity:	4 - irritation		
Description			
When dumping the mgrmap into JSON (which is done in teuthology runs frequently), the output really pollutes the logs. mitigating could look like:			
<ul style="list-style-type: none">• make ceph status --format json-pretty omit the mgrmap• omit attributes that match their default when dumping the mgrmap• call ceph status less frequently in teuthology
