Backport:	nautilus,mimic	Labels (FS):	
Regression:	No	Pull request ID:	27717
Severity:	3 - minor	Crash signature (v1):	
Reviewed:		Crash signature (v2):	
Affected Versions:			
Description			
dump cache in plain text will print lock state. But in json format dump, it won't. It is not convenient to debug some MDS lock issues without such information.
