<b>Description</b>	
Precisely, it happens here - <a href="https://github.com/ceph/ceph/blob/master/src/pybind/ceph_volume_client.py#L29-L32">https://github.com/ceph/ceph/blob/master/src/pybind/ceph_volume_client.py#L29-L32</a>	
IMO, to_bytes should just return None instead of returning "None".	
I'll add fix for this to <a href="#">PR #28557</a> since it's blocked due this bug.
