<b>Backport:</b>	<b>Pull request ID:</b>
<b>Description</b> as the generated PW is printed to stdout, users should change their PW  Maybe it is possible to leverage the <code>pwd_expiration_date</code> parameter when creating users.  See <a href="https://docs.ceph.com/docs/master/mgr/dashboard/#user-accounts">https://docs.ceph.com/docs/master/mgr/dashboard/#user-accounts</a>  Should be possible to disable this behavior, as it is inconvenient for developers.	

#### History

##### #1 - 01/28/2020 09:29 AM - Sebastian Wagner

- Description updated
- Assignee set to Daniel Pivonka
- Tags set to low-hanging-fruit

##### #2 - 01/28/2020 09:41 AM - Sebastian Wagner

Also this might be blocked, till <https://github.com/ceph/ceph/pull/32680> is merged.

##### #3 - 02/04/2020 03:58 PM - Daniel Pivonka

- Status changed from New to In Progress

##### #4 - 02/21/2020 08:25 PM - Daniel Pivonka

- Status changed from In Progress to Fix Under Review
