Feature # 44576: cephadm: Restart Prometheus, if a new node_exporter or alertmanager is...	Resolved
Bug # 44577: cephadm: reconfigure Prometheus on MGR failover	Closed

History

#1 - 01/27/2020 07:38 PM - Sage Weil

config changes are normally propagated by ceph. is this for changes like ms_type that have to go in ceph.conf? those are super rare these days.

#2 - 01/28/2020 09:40 AM - Sebastian Wagner

I was thinking about gateways, less about the core daemons.

#3 - 03/12/2020 12:33 PM - Sebastian Wagner

partially: <https://github.com/ceph/ceph/pull/33855>

#4 - 05/14/2020 01:43 PM - Sebastian Wagner

- Status changed from New to Closed

seems to be done. sort of. reopen if required.
