Description	
With a host down that had daemons deployed, a --refresh shows trackbacks in the mgr log from the failed connect attempt which could be misleading for support once you hit GA.

prio low, till someone complains

#3 - 06/08/2020 01:32 PM - Sebastian Wagner

- Status changed from New to Rejected

I don't plan to fix this. instead, I'm about to remove support for --refresh
