Severity:	3 - minor	Crash signature (v2):	
Reviewed:			

Description

Some notifications are only popping up, but are not stored in the notifications table. Observed the behavior for the erasure code profile creation and deletion as well for the crush rule creation and deletion. It's possible that this affects also other pages.

History

#1 - 04/22/2021 08:19 AM - Ernesto Puerta

- Tracker changed from Fix to Bug
- Project changed from mgr to Dashboard
- Category changed from dashboard/usability to UX
- Regression set to No
