- Status changed from New to Need More Info

this was due to the fact that the FS tests don't enable the dashboard?

#2 - 07/22/2020 01:00 PM - Varsha Rao

- Status changed from Need More Info to New

Yes, even other tests such as prometheus¹ also don't enable dashboard. These tests were written prior setting dashboard namespace config² got merged. As per discussion with Kiefer, we decided it would be best to check if dashboard is enabled before trying to set this config option.
