

Orchestrator - Feature #46177

Investigate, if we can run ssh-agent in the MGR container

06/24/2020 12:02 PM - Sebastian Wagner

| Description | |
| Is it possible to use password encrypted SSH keys? | |
| Maybe something like https://stackoverflow.com/questions/46837914/how-to-start-ssh-agent-permantly-with-python from the <code>_reconfigure_ssh</code> method? | |
| And then maybe something like ssh-add and providing the key? | |
