```

/a/nojha-2020-12-09_19:07:01-rados:cephadm:partial-upgrade-master-distro-basic-smithi/5696836

Background: I encountered this while adding cephadm based stress-split upgrade suites, details in <https://github.com/ceph/ceph/compare/master...neha-ojha:wip-cephadm-upgrade#diff-12c0f27f2cb1db1411bd95adb5e3408f1d87f7b9c84a0a6c763367cad526ae50R5>.

Earlier attempt <https://github.com/ceph/ceph/pull/36753#issuecomment-696355251>.

History

#1 - 01/18/2021 05:19 PM - Neha Ojha

- Priority changed from Normal to Urgent

bumping up priority on this one

#2 - 01/18/2021 05:31 PM - Sebastian Wagner

- Assignee set to Sebastian Wagner

#3 - 02/11/2021 03:51 PM - Sebastian Wagner

might be related to a wrong or non-up-to-date ceph.conf???

#4 - 02/16/2021 01:14 PM - Sebastian Wagner

reminds me of

https://www.reddit.com/r/ceph/comments/kv3z7h/cephadm_osd_deploy_errors/

but this doesn't make sense, because

<https://github.com/ceph/ceph/blob/894b08ae98a9f8b90fad685ed0455fae640bc159/qa/suites/rados/cephadm/upgrade/3-start-upgrade.yaml>

works

#5 - 02/23/2021 04:12 PM - Sebastian Wagner

- Assignee changed from Sebastian Wagner to Sage Weil

#6 - 02/23/2021 05:19 PM - Sage Weil

- Status changed from New to Can't reproduce

these tests pass now. there have been a ton of changes/fixes in hte last 2 months
