- Status changed from New to Closed

The problem only is an issue when upgrading from older versions (that don't include <https://github.com/ceph/ceph/commit/f3e770f3541c716b4f568cf73255f25243c655e5>). Newer versions properly use the ignorelist and retry the pulls (<https://pastebin.com/raw/Dx4qjbgw> ignore Bs and podman error printout, that was for testing)
