Description

Description of problem

Alerts (e.g.: "storage filling up") show an undefined text, where supposedly it should go the explanation of it ("Mountpoint /rootfs/dev/shm on node-exporter will be full in less than 5 days assuming the average fill-up rate of the past 48 hours.").

Additionally 2 notifications are displayed per alert (active and unprocessed).

Environment

- ceph version string: master/17
- Platform (OS/distro/release): ceph-dev/vstart
- Cluster details (nodes, monitors, OSDs): 1 node/3 OSDs

How reproducible

Deploy ceph-dev with all services: dc up -d ceph grafana prometheus node-exporter alertmanager
