Backport:	Pull request ID:
Description Same as for rbd-stats module and rbd-top-like Grafana dashboard (the one showing resource usage per RBD image), this would bring the equivalent CephFS functionality. We need to ensure that the fsstats metrics are stored in Prometheus (currently not) in the same way as rbd-stats are persisted via Prometheus exporter.	

History

#1 - 04/15/2021 05:10 PM - Ernesto Puerta

- Project changed from mgr to Dashboard

- Category changed from dashboard/cephfs to Component - CephFS
