

Orchestrator - Cleanup #53998

Drop support for old-style service spec

01/24/2022 03:25 PM - Sebastian Wagner

<div>Status:New</div> <div>Priority:Normal</div> <div>Assignee:</div> <div>Category:cephadm</div> <div>Target version:</div> <div>Tags:</div> <div>Backport:</div> <div>Reviewed:</div>	<div>% Done:0%</div> <div>Affected Versions:</div> <div>Pull request ID:</div>
<div>Description</div> <div><div>service_type: nfs</div><div>service_id: foo</div><div>pool: mypool</div><div>namespace: myns</div></div> <div>I.e. without any indentation. This is irritating for more complicated specs and already deprecated and no longer documented. Let's drop it accordingly!</div>
