#2 - 03/29/2022 08:40 PM - Laura Flores

- Status changed from In Progress to Resolved

#3 - 05/12/2022 04:14 PM - Vikhyat Umrao

quincy backport - <https://github.com/ceph/ceph/pull/46055>

#4 - 05/18/2022 12:04 AM - Vikhyat Umrao

Workaround:

Set option mon_health_detail_to_clog to false.

If MONs are in quorum:

```
ceph config set mon mon_health_detail_to_clog false
```

If MONs are not in quorum:

It needs to be changed in `/var/lib/ceph/$fsid/mon.$hostname/config` and restart of monitor service.
