Revision 7696afd3 - 12/19/2014 01:40 PM - John Spray

tasks: create mds_flush task

This tests: * The new 'flush journal' asok command * That the resulting on disk structures are as expected * That cephfs-journal-tool is happy with the result

Fixes: #9881

mds: implement "flush journal" asok

Start a new segment and flush everything older
to the backing store.
